Our centre

Newport Community Education Centre has been delivering Adult Education programs to the local community **since 1991**

Welcoming and inclusive learning environment: Our **experienced trainers** will meet your learning needs.

Ready to learn! We provide **tailored classrooms and equipment** for a diverse range of programs.

Build confidence and re-skill through our **course pathways:** progressively develop skills to pathway from beginners classes to more advanced learning, and beyond!

Everyday English > Introduction to Computers > Digital Literacy > Prep for Employment

Follow the path that's right for you!

Childcare is available at the centre at the special rate of \$10 per session for children of adults enrolled in our courses. Child Care Subsidy (CCS) also available. Enquire today!

We are a registered Learn Local provider, funded by the Victorian Government, via the Adult, Community and Further Education (ACFE) Board, to deliver pre-accredited training and programs.

Our courses

Introduction to Computers

Build your IT confidence: for beginners or those looking to refresh skills in accessing information, resources, file management, emails, Microsoft Office, online safety and working with AI.

13 week course | 2.5 hours per week

Digital Literacy on PC

Navigating computer applications online. Further develop IT knowledge, upskill and learn about various applications, software, utilities, social media, online shopping, government portals and more. Back-up and organise your files. Scams and cybersafety.

10 week course | 2 hours per week

Prep for Employment

Develop skills to prepare for employment. Skill and job searches, resume writing, cover letters, interview preparation, industry-specific vocabulary, AI in job applications.

15 week course | 2.5 hours per week

Digital Literacy on Devices

iPhones, Adroids & Tablets

Become tech savvy with your devices: for beginners to intermediate level. Understand device settings, messages & emails, uploading/downloading, saving and sharing, troubleshooting, security and more.

10 week course | 2 hours per week

Sew, Create, Talk: Sewing in English

Learn English and make new friends while creating items on a sewing machine. From a tote bag to a skirt, learn to read and follow patterns, measure and cut, repair and modify, all through good conversations in English.

13 week course | 3 hours per week

Women Talk: English Conversation

For women of all ages & backgrounds, beginners and intermediate. Develop skills and confidence in English for everyday situations. Build knowledge of Australia and your surroundings through classroom activities & local outings.

10 week course | 2.5 hours per week
